

## NORTH SHORE FEDERAL CREDIT UNION

# INTERNSHIP PROGRAM

# ATTENTION HIGH SCHOOL SENIORS & COLLEGE STUDENTS

In addition to providing value to our members as a financial services cooperative, North Shore Federal Credit Union strives to be a community leader. One such method is in providing internship opportunities to area students. Our paid Internship Program provides hands-on training with relevant real-life skills and experiences to high school seniors and college students. These skills and experiences enhance the individual's school studies and career development, build important resume experience and better prepare them for full-time work following college.

Applicants for the NSFCU Internship Program should have a positive attitude, possess great communication and team skills, have the ability to positively reflect the NSFCU standard of member service and confidentiality, as well as the ability to work in a detail-oriented environment.
